

## Supplementary Data

### Supplementary Table 1

#### Quality of experience between an in-person conference (CamWHO 2019) versus and online conference (CamWHO 2020), as reported by participants.

An identical questionnaire, in line with GDPR regulations, was used after both conferences to allow for more direct comparison of the effects and experiences of the events, as reported by participants. Participants were asked to rate their experiences on a scale from 1-10 with 1 representing poor and 10 representing excellent understanding/confidence.
